## Way Back Into Love by Hugh Grant And Haley Bennett

I've been living with a shadow overhead	All I want to do is (8) a way back into love
I've been sleeping with a cloud (1) my bed	I can't make it (9) without a way back into
I've been lonely for so long	love
Trapped in the past, I (2) can't seem to move on	And if I open my heart again
I've been (3) all my hopes and dreams away	I guess I'm hoping you'll be (10) for me in the
Just in case I ever (4) em again someday	end
I've been setting aside time	oh, oh, oh, oh
To (5) a little space in the corners of my mind	There are moments when I don't know if it's real
All I want to do is find a way (6) into love	Or if anybody feels the way I feel
I can't make it through without a way back into love	I need inspiration
Oh oh oh	Not just another negotiation
I've been watching but the stars refuse to shine	All I want to do is find a way back into love
I've been searching but I just don't see the signs	I can't make it through without a way back into love
I know that it's out there	And if I open my heart to you
There's got to be something for my soul somewhere	I'm hoping you'll show me what to do
I've been looking for someone to shed some light	And if you help me to start again
Not (7) just to get me through the night	You know that I'll be there for you in the end
I could use some direction	oh, oh, oh, oh
And I'm open to your suggestions
