

Fill in the gaps

I, I'm driving (1) on black	'Cause everybody knows
Just got my license back	We're just a couple of animals (animals)
I got this feeling in my veins this train is coming off the track	So come on baby, get in
I'll ask polite if the devil needs a ride	Get in, just get in
Because the angel on my right ain't hanging out with me	Look at the trouble we're in
tonight	We were parked out by the tracks
I'm driving past your house while you were sneaking out	We're sitting in the back
I got the car door opened up so you can (2) in on	And we just started getting busy
the run	When she whispered "what was that?"
Your mom don't know that you were missing	The wind, I think 'cause no one else knows where we are
She'd be pissed if she could see the parts of you I've been	And that was when she started screamin'
kissing	"That's my dad outside the car!"
Screamin'	Oh please, the keys, they're not in the ignition
No, we're never gonna quit	Must have wound up on the floor while
Ain't nothing wrong with it	We were switching our positions
Just acting like we're animals	I guess they knew that she was missing
No, no matter where we go	As I tried to tell her dad it was her mouth that I was kissing
'Cause everybody knows	Screamin'
We're just a couple of animals	No, we're never (6) quit
So come on baby, get in	Ain't nothing wrong with it
Get in, just get in	Just acting like we're animals (animals)
Check out the trouble we're in	No, no matter where we go
You're beside me on the seat	'Cause everybody knows
Got your hand between my knees	We're (7) a couple of animals (animals)
And you control how fast we go by just how hard you wanna	So (8) on baby, get in
squeeze	We're just a couple of animals
It's hard to steer when you're (3) in my	Get in, just get in
ear	Ain't (9) wrong with it
But I got both hands on the wheel while you got both hands on	Check out the trouble (10) in
my gears	We're just a couple animals
By now, no doubt that we were heading south	Get in, just get in
I guess nobody ever taught her not to speak (4) a	
full mouth	
'Cause this was it, like flicking on a switch	
It felt so good I almost drove (5) the ditch	
I'm screamin'	
No, we're never gonna quit	
Ain't nothing wrong with it	
Just acting like we're animals (animals)	
No, no matter where we go
