

## Fill in the gaps

I, I'm driving black on black	'Cause everybody knows
Just got my license back	We're just a couple of animals (animals)
I got this feeling in my (1) this train is coming off	So (14) on baby, get in
the track	Get in, just get in
I'll ask polite if the devil needs a ride	Look at the trouble we're in
Because the angel on my right ain't hanging out with me	We were parked out by the tracks
tonight	We're sitting in the back
I'm driving past your house while you were sneaking out	And we just started getting busy
I got the car (2) opened up so you can jump in on	When she (15) (16)
the run	was that?"
Your mom don't know that you were missing	The wind, I (17) (18) no
She'd be pissed if she could see the parts of you	one else knows (19) we are
(3) been kissing	And that was when she started screamin'
Screamin'	"That's my dad outside the car!"
No, we're (4) gonna quit	Oh please, the keys, they're not in the ignition
Ain't nothing wrong with it	Must have wound up on the (20) while
Just acting like we're animals	We were switching our positions
No, no (5) where we go	I guess (21) knew that she was missing
Cause everybody knows	As I tried to (22) her dad it was her mouth
We're just a couple of animals	(23) I was kissing
So come on baby, get in	Screamin'
Get in, (6) get in	No, we're never gonna quit
Check out the trouble we're in	Ain't (24) (25) with it
You're beside me on the seat	Just acting like we're animals (animals)
Got your hand between my knees	No, no matter where we go
And you control how fast we go by just how hard you wanna	'Cause everybody knows
squeeze	We're just a couple of animals (animals)
It's hard to steer when you're breathing in my ear	So come on baby, get in
But I got (7) hands on the wheel while you got both	We're (26) a couple of animals
hands on my gears	Get in, just get in
By now, no doubt that we were heading south	Ain't nothing wrong with it
I (8) nobody ever taught her not to speak with a	Check out the trouble we're in
full mouth	We're (27) a couple animals
Cause this was it, like flicking on a switch	Get in, just get in
It felt so good I almost (9) into the ditch	
I'm screamin'	
No, we're never gonna quit	
Ain't (10) it	
Just (12) like we're animals (animals)	
No, no (13) where we go
