Fill in the gaps

The Black Parade by My Chemical Romance

When I was a young boy,	Your (18) will (19) on
My father took me into the city	We'll carry on
To see a marching band.	And (20) you're broken and defeated
He said, "Son (1) you (2) up,	Your weary widow marches
would you be the (3) of the broken,	On and on we carry through the fears
the beaten and the damned?"	Ooh oh ohhhh
He said "Will you (4) them,	Disappointed (21) of your peers
your demons, and all the non-believers,	Ooh oh ohhhh
the plans (5) they have made?"	Take a look at me (22) I could not
"Because one day I'll leave you,	(23) at all
A phantom to (6) you in the summer,	Do or die, you'll never make me
To join The Black Parade."	Because the world will never (24) my heart
When I was a young boy,	Go and try, you'll never break me
My father (7) me into the city	We want it all, we wanna play this part
To see a marching band.	I won't explain or say I'm sorry
He said, "Son when you grow up,	I'm unashamed, I'm gonna show my scar
would you be the savior of the broken,	Give a cheer for all the broken
the beaten and the damned?"	Listen here, because it's who we are
Sometimes I get the feeling she's watching over me.	I'm just a man, I'm not a hero
And other times I feel like I (8) go.	Just a boy, who had to sing this song
And through it all, the rise and fall, the bodies in the streets.	I'm just a man, I'm not a hero
And when you're (9) we (10) you all to	I! don't! care!
know.	We'll carry on
We'll carry on,	We'll carry on
We'll carry on	And though you're dead and (25) believe me
And though you're dead and (11)	Your memory will carry on
(12) me	We'll carry on
Your memory will carry on	And (26) you're broken and defeated
We'll carry on	Your weary widow marches on
And in my heart I can't contain it	Do or die, you'll never make me
The anthem won't explain it.	Because the world (27) never take my heart
A world that (13) you reeling from decimated	Go and try, you'll never break me
dreams	We want it all, we wanna play this part (We'll carry on)
Your misery and hate will kill us all.	Do or die, you'll never make me (We'll (28) on)
So paint it black and take it back	Because the world will never (29) my heart (We'
Let's shout it loud and clear	carry on)
Defiant to the end we (14) the call	Go and try, you'll never break me (We'll carry)
To carry on	We want it all, we wanna play this part (We'll carry on)
We'll (15) on	
And (16) you're dead and (17)	
believe me
