## Do I Wanna Know? by Arctic Monkeys

Have you got colour in your cheeks?	But we (16) be together if you wanted to
Do you ever get that fear that you can't shift the type that	(Do I wanna know?)
sticks around (1) summat in your teeth?	If this (17) flows both (18)
Are there some aces up (2) sleeve?	(Sad to see you go)
Have you no (3) that you're in deep?	Was (19) hoping that you'd stay
I've dreamt about you nearly (4) night this week	(Baby we both know)
How many secrets can you keep?	That the nights (20) mainly made for saying thing
Cause there's (5) tune I found that makes me think	that you can't say tomorrow day
of you somehow and I play it on repeat	Crawling (21) to you
Until I fall asleep	Ever thought of (22) when you've had
Spilling (6) on my settee	few? (calling when you've had a few)
(Do I wanna know?)	'Cause I always do ('cause I (23) do)
If this feeling flows both ways	Maybe I'm too busy being yours to fall for
(Sad to see you go)	(24) new
Was sorta (7) that you'd stay	Now I've thought it through
(Baby we both know)	Crawling back to you
That the nights were mainly made for (8)	(Do I wanna know?)
things that you can't say tomorrow day	If this feeling flows both ways
Crawling back to you	(Sad to see you go)
Ever thought of calling when you've had a few?	Was (25) hoping that you'd stay
Cause I (9) do	(Baby we both know)
Maybe I'm too busy being yours to fall for somebody new	That the nights (26) mainly made for saying things
Now I've thought it through	(27) you can't say tomorrow day
Crawling back to you	(Do I wanna know?)
So have you got the guts?	Too busy being yours to fall
Been wondering if your heart's still open and if so I wanna	(Sad to see you go)
know what (10) it shuts	Ever thought of (28) darling?
Simmer down and (11) up	(Do I wanna know)
I'm sorry to (12) it's (13)	Do you want me crawling back to you?
I'm constantly on the cusp of (14) to	
(15) you	
I don't know if you feel the same as I do
