

I don't know if you feel the same as I do

Fill in the gaps

Do I Wanna Know? by Arctic Monkeys

Have you got colour in your cheeks?	But we could be together if you wanted to
Do you ever get that fear that you can't shift the type that	(Do I wanna know?)
sticks around like summat in (1) teeth?	If this feeling flows both ways
Are there some aces up your sleeve?	(Sad to see you go)
Have you no idea that you're in deep?	Was sorta (5) that you'd stay
I've dreamt about you nearly every night this week	(Baby we both know)
How many secrets can you keep?	That the nights were mainly made for saying things that you
Cause there's this tune I found that makes me think of you	can't say tomorrow day
somehow and I (2) it on repeat	Crawling back to you
Until I fall asleep	Ever thought of calling when you've had a few? (calling
Spilling drinks on my settee	(6) you've had a few)
(Do I wanna know?)	'Cause I always do ('cause I always do)
If this feeling flows both ways	Maybe I'm too busy being yours to fall for
(Sad to see you go)	(7) new
Was sorta hoping that you'd stay	Now I've (8) it through
(Baby we both know)	Crawling back to you
That the nights were mainly made for saying things that you	(Do I wanna know?)
can't say tomorrow day	If this feeling flows both ways
Crawling back to you	(Sad to see you go)
Ever thought of calling when you've had a few?	Was sorta hoping that you'd (9)
Cause I always do	(Baby we both know)
Maybe I'm too busy being yours to (3) for	That the nights were mainly made for saying things that you
(4) new	can't say tomorrow day
Now I've thought it through	(Do I wanna know?)
Crawling back to you	Too busy being yours to fall
So have you got the guts?	(Sad to see you go)
Been wondering if your heart's still open and if so I wanna	Ever thought of calling darling?
know what time it shuts	(Do I wanna know)
Simmer down and pucker up	Do you want me crawling (10) to you?
I'm sorry to interrupt it's just I'm constantly on the cusp of	
trying to kiss you	

- 1. your
- 2. play
- 3. fall
- 4. somebody
- 5. hoping
- 6. when
- 7. somebody
- 8. thought
- 9. stay
- 10. back
