

And I feel something so wrong

Fill in the gaps

Lately I've been, I've been (1)	sleep	But doing the right thing
Dreaming about the things that we could be		I could lie, could lie
But baby I've been, I've been praying hard		Everything that drowns me makes me wanna fly
Said no more (2) dollars		Lately I've been, I've been losing sleep
We'll be counting stars		Dreaming about the things that we could be
Yeah, we'll be counting stars		But baby I've been, I've been praying hard
I see this life		Said no more counting dollars
Like a swinging vine		We'll be counting stars
Swing my heart across the line		Lately I've been, I've been losing sleep
In my face's (3) sun		Dreaming about the things that we could be
Seek it out and you shall find		Baby I've been, I've been praying hard
Old, but I'm not (4) old		Said no more (6) dollars
Young, but I'm not that bold		We'll be, we'll be counting stars
And I don't think the world is sold		Take that money and watch it burn
I'm just doing what we're told		Sink in the (7) the lessons I learned
I feel something so right		Take (8) money and (9) it burn
But doing the wrong thing		Sink in the river the lessons I learned
I feel something so wrong		Take that money and watch it burn
But doing the right thing		Sink in the river the lessons I learned
I could lie, could lie		Take that money and watch it burn
Everything that kills me makes me feel alive		Sink in the river the (10) I learned
Lately I've been, I've been losing sleep		Everything that kills me makes me feel alive
Dreaming about the things that we could be		Lately I've been, I've been losing sleep
But baby I've been, I've been praying hard		Dreaming about the things that we could be
Said no more counting dollars		But baby I've been, I've been praying hard
We'll be counting stars		Said no more counting dollars
Lately I've been, I've been losing sleep		We'll be counting stars
Dreaming about the (5) that we	e could be	Lately I've been, I've been losing sleep
Baby I've been, I've been praying hard		Dreaming about the things that we could be
Said no more counting dollars		Baby I've been, I've been praying hard
We'll be, we'll be counting stars		Said no more counting dollars
I feel the love		We'll be, we'll be counting stars
And I feel it burn		Take that money and watch it burn
Down this river every turn		Sink in the river the lessons I learned
Hope is a four letter word		Take that money and watch it burn
Take that money		Sink in the river the lessons I learned
Watch it burn		Take that money and watch it burn
Old, but I'm not that old		Sink in the river the lessons I learned
Young, but I'm not that bold		Take that money and watch it burn
And I don't think the world is sold		Sink in the river the lessons I learned
I'm just doing what we're told
