

## Fill in the gaps

have (1) peace, I have (2) pain	
Resting on the shoulders of your name	
Do you see the truth through all their lies?	
Do you see the world through troubled eyes?	
And if you want to talk (3) it anymore	
Lie here on the floor and cry on my shoulder	
'm a friend	
have seen birth, I have seen death	
Lived to see a lover's final breath	
Do you see my guilt? (4) I feel fright?	
s the fire of hesitation burning bright?	
And if you want to talk (5) it once again	
On you I depend, I'll cry on your shoulder	
You're a friend	
You and I have been through many things	
'll hold on to your heart	
wouldn't cry for anything	
But don't go tearing your life apart	

I have seen fear, I have (6) faith
Seen the (7) of anger on your face
And if you want to talk about what will be
Come and sit with me, and cry on my shoulder
I'm a friend
And if you want to talk about it anymore
Lie here on the floor and cry on my shoulder
Once again
And cry on my shoulder
I'm a friend
