

## Fill in the gaps

Said you got (1) of the same old rock in roll	As you (19) all the cars on the freeway
Let's start anew at sunset, (2) with a lot	And he (20) I
(3) soul	I come from (21) City
Well I know you spend a lot of time alone in your head	And I
Remember (4) you said	I'm hard to satisfy
I (5) thought you'd be so easily lead	And I (22) someone like you, you look so pretty
One million lights	In Detroit City
They've been burning our (6) til the morning	And now the lights are burning out
Run for our lives	And now the (23) are turning out
As you watch all the (7) on the freeway	But you stay here with me
And he (8) I	In the city
I come from Detroit City	And he said I
And I	I come (24) (25) City
I'm (9) to satisfy	And I
And I (10) someone like you, you look so pretty	I'm hard to satisfy
In Detroit City	'Cause I want someone like you, you look so pretty
You (11) you got (12) on the	In Detroit City
(13) and its dreams	Detroit, Detroit, Detroit
They make cuts in the heat while the (14)	Detroit City
screams	Detroit City
I (15) believe	Detroit City
Someone (16) me (17) leave you so	Detroit, Detroit, Detroit
weak	
We're dancing in the street	
You know we don't need no sleep	
One million lights	
They've been burning our (18) til the morning	
Run for our lives
