Well I know you (1) a lot of time alone in your	I come from Detroit City	
head	And I	
Remember what you said	I'm hard to satisfy	
I never thought you'd be so easily lead	And I want someone (6)	you, you look so pretty
One million lights	In (7) City	
They've been burning our (2) til the morning	And now the (8)	_ are burning out
Run for our lives	And now the boys are turning out	
As you watch all the cars on the freeway	But you stay here (9)	_ me
And he said I	In the city	
I come (3) Detroit City	And he said I	
And I	I come from Detroit City	
I'm hard to satisfy	And I	
And I want someone like you, you look so pretty	I'm hard to satisfy

They make cuts in the heat while the siren screams	Detroit, Detroit	
I couldn't believe	Detroit City	
Someone like me would (4) you so weak	Detroit City	
We're (5) in the street	Detroit City	
You know we don't need no sleep	Detroit, Detroit, Detroit	
One million lights		
They've been burning our eyes til the morning
