Fill in the gaps

Somewhere Only We Know by Lily Allen

I walked across	Talk about it somewhere only we know
An empty land	This could be the end of everything
I knew the pathway (1) the back of my hand	So why don't we go
I felt the earth	Somewhere only we know
Beneath my feet	Somewhere only we know
Sat by the river and it made me complete	Oh, simple thing
Oh, simple thing	Where have you gone
Where have you gone	I'm getting old and I need someone to rely on
I'm getting tired and I need someone to (2) on	So tell me when
I came across	You're gonna let me in
A fallen tree	I'm (7) tired and I need
I felt the branches of it looking at me	(8) to begin
Is this the place	And if you have a minute, why don't we go
We used to love	Talk about it somewhere (9) we know
Is this the place that I've been dreaming of	'Cause this could be the end of everything
Oh, (3) thing	So why don't we go
Where (4) you gone	Somewhere only we know
I'm getting old and I (5) something to rely on	Somewhere only we know
And if you (6) a minute, why don't we go
