Somewhere Only We Know by Lily Allen

I (1) across	Talk about it (14) only we know
An (2) land	This could be the end of everything
I knew the pathway (3) the back of my hand	So why don't we go
I felt the earth	Somewhere (15) we know
Beneath my feet	Somewhere (16) we know
Sat by the river and it made me complete	Oh, simple thing
Oh, (4) thing	Where have you gone
Where (5) you gone	I'm (17) old and I nee
I'm getting tired and I need someone to rely on	(18) to (19) on
I (6) across	So tell me when
A (7) tree	You're (20) let me in
I felt the branches of it looking at me	I'm getting tired and I need somewhere to begin
Is this the place	And if you (21) a minute, why don't we go
We used to love	Talk about it somewhere only we know
Is this the place (8) I've been	'Cause this (22) be the end of everything
(9) of	So why don't we go
Oh, simple thing	Somewhere (23) we know
Where (10) you gone	Somewhere only we know
I'm getting old and I (11)	
(12) to rely on	
And if you (13) a minute, why don't we go
