Somewhere Only We Know by Lily Allen

I walked across		Talk (6) it (7)	only we
An empty land		know	
I knew the (1) like the (2)	of my	This could be the end of everything	
hand		So why don't we go	
I felt the earth		Somewhere (8) we know	
Beneath my feet		Somewhere (9) we know	
Sat by the river and it made me complete		Oh, (10) thing	
Oh, simple thing		Where have you gone	
Where have you gone		I'm getting old and I need someone to rely on	
I'm getting tired and I need someone to rely on		So tell me when	
I came across		You're gonna let me in	
A fallen tree		I'm getting tired and I need somewhere to begin	
I felt the branches of it looking at me		And if you have a minute, why don't we go	
Is this the place		Talk about it somewhere only we know	
We used to love		'Cause this could be the end of everything	
Is this the place that I've been (3)	_ of	So why don't we go	
Oh, simple thing		Somewhere only we know	
Where have you gone		Somewhere only we know	
I'm getting old and I need something to (4)	on		
And if you (5) a minute, why don't we go
