

Fill in the gaps

He's (1) the kind of man	Carry me to the shoreline
You hear about	Bury me in the sand
Who leaves his family for	Walk me (17) the water
An (2) out	And maybe you'll understand
They never saw the signs	Once the stone
He never said a word	You're (18) under
He couldn't take (3) day	Is (19) off (20) shoulders
Carry me to the shoreline	Once the cloud that's raining
Bury me in the sand	Over your head disappears
Walk me across the water	The noise that you'll hear
And (4) you'll understand	Is the crashing down of hollow years
Once the stone	Carry me to the shoreline
You're (5) under	Maybe you'll understand
ls (6) off (7) shoulders	Once the stone
Once the cloud that's raining	You're (21) under
Over (8) head disappears	Is (22) off your shoulders
The (9) that you'll hear	Once the cloud that's raining
Is the (10) of	Over your head disappears
(12) years	The noise (23) you'll hear
She's not the (13) of girl	Is the crashing down of hollow years
You (14) about	Once the stone
She'll never want another	You're (24) under
She'll never be without	
She'll give you all the signs	
She'll tell you everything	
Then (15) (16) and walk away
