

Be confident

Will I refrain?

Fill in the gaps

Along the way, I find myself	Can I repent?
To be confined within me	Will you be there?
No place for any other's mind to interfere	Erase the page
To grasp the meaning of it all	For I'm alone and ailing
To overcome my limits	Intertwine the lines
And dance away from any void and empty tones	That swim beneath the dark
Just tell me why	Realize the pain we live in
Just tell me how	Demonize the need we reel in
I can survive this time	(Nooooooo)
Believe yourself and look away	In my memories I'll dig deep enough to know
From all that's right within you	Centuries of dreams unending
Leave all your worries at the (1) and drift away	Another me that (4) tears
I've tried to peer into the core	When someone had betrayed
But could not storm the sorrow	So, this is my life
My hollow heart has bled me dry	And it can't break me down
Left me to stray	Go, I will decide
Another time	Who can come in and heal my disease
Without a trace	Burn it in flames
Condemn me now	Kill it and maim
Send me to heaven	Why can't you see (5) you (6) to be
For I'm already failing	freed?
Intertwine the lines	Intertwine the (7) beneath the dark
That swim beneath the dark	Every bit of pain we're feeling
Realize the (2) we live in	Every other solemn life
Demonize the need we reel in	(Nooooooo)
(Nooooooo)	In the memories, you will find somehow
In my memories I'll dig deep enough to know	There used to be a dream unending
Centuries of dreams unending	No more need to be alone
Another me that yielded tears	Intertwine the lines
When someone had betrayed	That swim beneath the dark
No (3) should ever go to waste	Realize the (8) we (9) in
It's not that complicated	Demonize the need we reel in
You're free to live your life at ease	(Nooooooooo)
No more restraints	In my memories I'll dig deep enough to know
No heed for shadows on your way	Centuries of dreams unending
That try to steal your laughter	Another me that yielded tears
Your light will drive them all away	When someone had betrayed

Someone had betrayed

1. door

- 2. pain
- 3. time
- 4. yielded
- 5. that
- 6. need
- 7. lines
- 8. pain
- 9. live
