

## Fill in the gaps

Feelings you see	So what are we (13) now?
Are so hard to believe	Feeling (14) I (15)
All the chaos I (1) in my heart	be contained
Devils I (2) and the love can relate	I'm so lost and lonely now
All the solace inside (3) me up	Where do I run?
Take me away!	Where do I hide?
Set me on fire!	Give me a reason to end my life
There's no other way!	Where do I run?
Give me a reason 'cause I got nothing to gain	Where do I hide?
So what are we doing now?	Give me a reason to get out alive
Feeling (4) I cannot be contained	Give me a reason 'cause I got nothing to gain
I'm so (5) and (6) now	So (16) are we doing now?
We've (7) deceived	Feeling complacent I (17) be contained
It's so easy for me	I'm so lost and lonely now
'Cause the loathing I've had from the start	Give me a reason 'cause I got (18) to gain
Evil disease all the hatred it breathes	So (19) am I (20) now?
As (8) down on my (9)	(What am I doing now?)
(10) apart	Feeling (21) I (22)
Take me away!	be contained
Set me on fire!	I'm so (23) and (24) now
There's no other way!	
Give me a (11) 'cause I got	
(12) to gain
