

## Fill in the gaps

	And thoughts invade
Be (1) little (2) (3)	_ Choices are made
you see	A price will be paid
It's the second glance that ties your hands	When you give yourself away
As darkness pulls the strings	People never crumble in a day
Be careful little (4) where you go	The journey from (15) mind to your hands
For it's the (5) feet behind you	Is shorter than you're thinking
That are sure to follow	Be (16) if you think you stand
It's a (6) fade	You just might be sinking
When you give yourself away	It's a slow fade
It's a slow fade	When you (17) yourself away
When black and white are turned to gray	It's a slow fade
And thoughts invade, (7) are made	When black and white are turned to gray
A price will be paid	And thoughts invade
When you (8) yourself away	Choices are made
People (9) crumble in a day	A price will be paid
It's a slow fade	When you give yourself away
It's a slow fade	People never crumble in a day
Be careful (10) ears what you hear	Daddies never (18) in a day
When flattering leads to compromises	Families never (19) in a day
The end is always near	(Oh) Be careful (20) (21)
Be careful little (11) what you say	(22) you see
For (12) words and promises	(Oh) Be careful little (23) what you see
Leave broken hearts astray	For the Father up above is looking down in love
It's a slow fade	(Oh) Be careful little (24) what you see
When you give yourself away	
It's a (13) fade	
When black and (14) are turned to gray
