Searching for the hope

Fill in the gaps

Does Anybody Hear Her by Casting Crowns

She is running	That's tucked (5) in you and me
A hundred miles an hour in the wrong direction	Does (6) hear her?
She is trying	Can anybody see?
But the canyon's ever widening	If judgment looms under every steeple
In the depths of her cold heart	If lofty glances from lofty people
So she sets out on another misadventure just to find	Can't see past her scarlet letter
She's (1) two years older	And we've never even met her
And she's three (2) steps behind	If judgment looms under every steeple
Does anybody hear her?	If lofty glances from lofty people
Can anybody see?	Can't see past her scarlet letter
Or does anybody even know she's going down today	And we've (7) even met her
Under the shadow of our steeple	We've never even met her
With all the lost and lonely people	Does anybody hear her?
Searching for the hope	Does anybody see?
That's tucked away in you and me	Or does anybody even know she's going down today
Does anybody hear her?	Under the shadow of our steeple
Can anybody see?	With all the lost and lonely people
She is yearning	Searching for the hope
For shelter and affection	That's tucked away in you and me
That she never found at home	Does anybody hear her?
She is searching	Does anybody see?
For a hero to (3) in	Does anybody even know she's going down today
To ride in and save the day	Under the shadow of our steeple
And in walks her prince charming	With all the (8) and lonely people
And he knows just what to say	Searching for the hope
Momentary lapse of reason	That's tucked away in you and me
And she gives herself away	Does (9) (10) her?
Does anybody hear her?	Does anybody see?
Can anybody see?	He is running
Or does anybody even know she's going (4) today	A hundred miles an hour in the wrong direction
Under the shadow of our steeple	
With all the lost and lonely people
