Does Anybody Hear Her by Casting Crowns

She is running	That's (13) (14) in you and me
A hundred miles an hour in the wrong direction	Does anybody hear her?
She is trying	Can anybody see?
But the canyon's ever widening	If judgment looms under every steeple
In the (1) of her cold heart	If (15) (16) from lofty people
So she sets out on another misadventure just to find	Can't see (17) her scarlet letter
She's another two years older	And we've never even met her
And she's three (2) steps behind	If judgment (18) under every steeple
Does anybody hear her?	If lofty glances (19) lofty people
Can (3) see?	Can't see past her scarlet letter
Or does anybody even (4) she's going	And we've never even met her
(5) today	We've (20) even met her
Under the (6) of our steeple	Does anybody hear her?
With all the lost and lonely people	Does anybody see?
Searching for the hope	Or does anybody even know she's going down today
That's tucked away in you and me	Under the shadow of our steeple
Does anybody hear her?	With all the lost and lonely people
Can anybody see?	Searching for the hope
She is yearning	That's (21) away in you and me
For shelter and affection	Does anybody hear her?
That she never found at home	Does (22) see?
She is searching	Does anybody even know she's going (23) today
For a hero to ride in	Under the (24) of our steeple
To ride in and save the day	With all the lost and lonely people
And in walks her prince charming	Searching for the hope
And he knows just (7) to say	That's tucked (25) in you and me
Momentary (8) of reason	Does anybody hear her?
And she gives herself away	Does anybody see?
Does (9) hear her?	He is running
Can (10) see?	A hundred miles an hour in the wrong direction
Or does anybody even know she's (11) down	
today	
Under the (12) of our steeple	
With all the lost and lonely people	
Searching for the hope
