SUB inglés

Under the shadow of our steeple

With all the lost and lonely people

Searching for the hope

Fill in the gaps

Does Anybody Hear Her by Casting Crowns

She is running	That's tucked away in you and me
A hundred miles an (1) in the wrong direction	Does anybody hear her?
She is trying	Can (2) see?
But the canyon's ever widening	If judgment looms under (3) steeple
In the depths of her cold heart	If lofty glances from lofty people
So she sets out on another misadventure just to find	Can't see past her scarlet letter
She's another two years older	And we've never (4) met her
And she's three more steps behind	If judgment looms under every steeple
Does anybody hear her?	If lofty glances from lofty people
Can anybody see?	Can't see past her scarlet letter
Or does anybody even know she's going down today	And we've never even met her
Under the shadow of our steeple	We've never even met her
With all the lost and lonely people	Does (5) hear her?
Searching for the hope	Does anybody see?
That's tucked away in you and me	Or does anybody even know she's (6) down
Does anybody hear her?	today
Can anybody see?	Under the shadow of our steeple
She is yearning	With all the (7) and lonely people
For shelter and affection	Searching for the hope
That she never found at home	That's (8) away in you and me
She is searching	Does anybody hear her?
For a hero to ride in	Does (9) see?
To ride in and save the day	Does anybody (10) know she's going down today
And in walks her prince charming	Under the shadow of our steeple
And he knows just what to say	With all the lost and lonely people
Momentary lapse of reason	Searching for the hope
And she gives herself away	That's tucked away in you and me
Does anybody hear her?	Does anybody hear her?
Can anybody see?	Does anybody see?
Or does anybody even know she's going down today	He is running
