Fill in the gaps

Just Another Birthday by Casting Crowns

Sixteen (1) n	ne	But it's just another birthday		
Blowing out candles and making wishes		And I'm not fine		
And all (2) me		I'm not fine		
ls (3)	but the one I'm wishing for	In the (13) of strangers	of strangers	
And he sent me flowers		In a (14) and sterile room		
And gift-wrapped excuses		All alone with a (15) inside me		
From a daddy whose daughter		And I don't know what to do		
Wants to see him again		Jesus, can You (16) me		
And I know, I know		Come and heal my brokennes		
It's just another birthday		Put the pieces (17) together		
But I guess I thought		And be a Father to the fatherless		
This would be the one		A Father to the fatherless		
When he (4)	call me, see me	Twenty-one finds me		
Hold me and free me		Blowing out candles and making wishes		
But it's just another birthday		And all (18) me		
And I'll be fine		My (19) (20)	twirls	
I'll be fine		and sings		
Nineteen finds me		It's so amazing		
And I'm wild-eyed and (5)	open	Looking back at all God's (21) u	us through	
I gave myself away to love	•	You are my happy birthday		
But backseat promises (6) like a mist	And you (22) born to (23)	the chains	
I'm screaming at the (7)_	air	Now I know, I know		
Everyone (8) me but I don't care		It's not just (24) birthday		
My heart's clenched just (9) a fist		'Cause I'm here, she's here		
'Cause, people, I didn't ask for any of this		And look how far we've come		
And I know, I know		Since you've called me, saw me		
It's (10) another birthday		Held me and freed me		
But I guess I thought		Thank you Lord for (25) birthda	ıy	
This (11) be the one		And we'll be fine		
When he (12) call me, see me		We'll be fine		
Hold me and free me
