Just Another Birthday by Casting Crowns

Sixteen finds me			But it's just another birthday	
Blowing out candles and making wishes			And I'm not fine	
And all around me			I'm not fine	
Is everyone but the one I'm wishing for			In the (7)	of strangers
And he sent me flowers			In a cold and sterile room	
And gift-wrapped excuses			All alone with a child inside me	
From a daddy whose daughter			And I don't know what to do	
Wants to see him again			Jesus, can You hear me	
And I know, I know			Come and heal my brokennes	
It's just another birthday			Put the pieces back together	
But I guess I thought			And be a Father to the fatherless	
This would be the one			A Father to the fatherless	
When he would (1) me, see me			Twenty-one finds me	
Hold me and free me			Blowing out candles and making wishes	
But it's just another birthday			And all around me	
And I'll be fine			My (8)	princess twirls and sings

I (3) myself away to love			And you (9) born to break the chains	
But backseat (4)	(5)	like a	Now I know, I know	
mist			It's not just another birthda	у
I'm screaming at the midnight air			'Cause I'm here, she's here	
Everyone hears me but I don't care			And look how far we've come	
My heart's clenched just like a fist			Since you've (10) me, saw me	
'Cause, people, I didn't ask for any of this			Held me and freed me	
And I know, I know			Thank you Lord for another birthday
