

## Fill in the gaps

Manage me, I'm a mess	I'm over getting old
Turn a page, I'm a (1) half-unread	And maybe it's not my weekend
I want to be laughed at, laughed with just because	But it's gonna be my year
I (2) to feel weightless	I'm so sick of watching while the minutes
And that should be enough	As I go nowhere
But I'm (3) in this ****** rut	And this is my reaction
Waiting on a secondhand pick-me-up	To everything I fear
And I'm over getting older	'Cause I've been going crazy
If I could just find the time	I don't want to waste (7)
Then I would never let another day go by	This could be all I've waited for
I'm over getting old	(I've waited, I've waited for)
And maybe it's not my weekend	And (8) could be everything
But it's gonna be my year	I don't wanna dream anymore
I'm so sick of watching while the minutes pass	Maybe it's not my weekend
As I go nowhere	But it's gonna be my year
And this is my reaction	And I've been going crazy
To (4) I fear	I'm stuck in here
'Cause I've been going crazy	And maybe it's not my weekend
I don't want to waste another minute here	But it's gonna be my year
Make (5) that I impress	I'm so sick of watching while the minutes
That every word, by design, turns a head	As I go nowhere
I wanna feel reckless	And this is my reaction
Wanna live it up just because	To (9) I fear
I (6) feel weightless	'Cause I've been (10) crazy
'Cause that would be enough	I don't want to waste another minute here
If I could just find the time	
Then I would never let another day go by
