

## Fill in the gaps

Manage me, I'm a mess	I'm over getting old
Turn a page, I'm a (1) half-unread	And (18) it's not my weekend
I want to be (2) at, laughed with just	But it's gonna be my year
because	I'm so sick of watching while the minutes pass
I want to (3) weightless	As I go nowhere
And that should be enough	And (19) is my reaction
But I'm stuck in (4) (5) rut	To everything I fear
Waiting on a secondhand pick-me-up	'Cause I've (20) going crazy
And I'm (6) getting older	I don't (21) to waste another minute here
If I could just find the time	This (22) be all I've waited for
Then I would (7) let another day go by	(I've waited, I've waited for)
I'm over getting old	And this could be everything
And maybe it's not my weekend	I don't wanna (23) anymore
But it's gonna be my year	Maybe it's not my weekend
I'm so sick of watching (8) the minutes pass	But it's gonna be my year
As I go nowhere	And I've been going crazy
And this is my reaction	I'm stuck in here
To (9) I fear	And maybe it's not my weekend
'Cause I've been going crazy	But it's (24) be my year
I don't want to (10) (11)	I'm so sick of watching while the (25) pass
(12) here	As I go nowhere
Make believe (13) I impress	And this is my reaction
That (14) word, by design, turns a head	To everything I fear
I wanna feel reckless	'Cause I've been going crazy
Wanna (15) it up just because	I don't want to waste another minute here
I wanna (16) weightless	
'Cause that would be enough	
If I could just find the time	
Then I would (17) let another day go by
