Stay with me, baby (1) with me
Tonight don't leave me alone
Walk (2) me, come and walk with me
To the edge of all we've ever known
I can see you there with the city lights
Fourteenth floor, (3) blue eyes
I can breathe you in
Two shadows standing by the bedroom door
No, I could not want you more than I did right then
As our heads leaned in
Well, I'm not sure what (4) is gonna be
But with my eyes closed all I see
Is the skyline, through the window
The moon (5) you and the streets below
Hold my breath as you're moving in
Taste your lips and feel your skin
When the time comes
Baby don't run, just kiss me slowly
Stay with me, (6) stay (7) me
Tonight don't leave me alone
She shows me everything she used to know
Picture (8) and country roads
When the days were long and the world was small
She stood by as it fell apart
Separate rooms and broken hearts
But I won't be the one to let you go
(Oh oh)
I'm not (9) what this is gonna be
But with my eyes closed all I see
Is the skyline, through the window
The moon above you and the streets below

Hold my breath as you're moving in Taste your lips and feel your skin When the time comes Baby don't run, just kiss me slowly Don't run away... And it's hard to love again When the only way it's been When the only love you know Just walked away... If it's something that you want Darling you don't have to run You don't have to go... Just stay with me, baby stay with me Well, I'm not sure what this is gonna be But with my eyes closed all I see Is the skyline, through the window The moon above you and the streets below Hold my breath as you're moving in Taste your lips and feel your skin When the time comes Baby don't run, just kiss me slowly I'm not sure where this is gonna go But in this moment all I know Is the skyline, through the window The moon above you and the streets below Hold my breath as you're moving in Taste your lips and feel your skin When the time comes, (10)_____ don't run
