

Fill in the gaps

The Party Scene (Live) by All Time Low

	You know you left the (12) with nothing
Hey, kid, you've got	But the sunrise through the (13) pane
A lot of potential but I think it's time to move up	Where (14) eyes (15) close
So go on and blow us away (1) (2)	Stay seventeen
sound	The party scene has got the (16) of me and you
Now you're (3) (4) we've	We've got to let this go
(5) to love	I know she (17) I choke on (18)
You (6) us to move, now we'll show it off	(19) drink
Just (7) us the beat (c'mon)	Drop dead before my influence gets to her head
Here's to the fast times	She said
The times we felt alive	I'll love you forever or find something better
To all the nights (8) we forgot to get back home	It's all (20) the same as when we (21)
Stay seventeen	together
The party scene has got the best of me and you	We wake up (22) and
We've got to let (9) go	(24) remembering
Drink up last call before the (10) sets the	What (25) wrong
scene	Stay seventeen
Of (11) bottles, heavy hearts	The party scene has got the best of me and
The memories of broken dreams	You, we've got to let (26) go
We were so tired yet so alive	
Wrapped up in lies	
Like sheets of another one night stand
