Fill in the gaps

The Party Scene (Live) by All Time Low

	You know you left the girl with nothing
Hey, kid, you've got	But the sunrise through the window pane
A lot of potential but I think it's (1) to move up	Where tired eyes will close
So go on and blow us away with your sound	Stay seventeen
Now you're everything that we've come to love	The party scene has got the best of me and you
You taught us to move, now we'll show it off	We've got to let this go
Just (2) us the beat (c'mon)	I know she hopes I choke on this last drink
Here's to the (3) times	Drop dead before my influence gets to her head
The times we felt alive	She said
To all the (4) that we (5) to	I'll love you forever or find something better
get back home	It's all just the same as (8) we sleep together
Stay seventeen	We wake up with headaches and trouble remembering
The party scene has got the best of me and you	What went wrong
We've got to let this go	Stay seventeen
Drink up last call before the (6) sets the	The party scene has got the best of me and
scene	You, we've got to let this go
Of (7) bottles, heavy hearts	
The memories of broken dreams	
We were so tired yet so alive	
Wrapped up in lies
