

Before I lose it

## Fill in the gaps

## This Isn't Rocket Surgery by We Are The In Crowd

And now I (1) (2) how it feels to be	I just might lose it
alone	And I bet you (18) that
(Alone and so (3) scared)	Yeah you like that
It's (4) I can't (5) breathe, it's all this	You just don't (19) know
anxiety	The (20) I had to let go
It's killing me	What's it (21) take to get you back here
And after all these times, we let this replay	(22) me
Nothing's changed, we (6) do it the	
(7) way	I love that you've got me all (23) out
I love (8) you've got me all figured out	Because without a doubt
Because (9) a doubt	You're the (24) (25) thing
You're the (10) damn thing	That ever happened to me
That ever happened to me	I'm going crazy, just can't get it out of my head
Now we're (11) on	Before I lose it
You just don't understand	I just might (26) it
It's not that hard to comprehend	And I bet you like that
And after all these times, we let (12) replay	Yeah, you like that
Nothing's changed, we still do it the same way	Can't get it out of my head
I (13) (14) you've got me all figured out	(Get it out of my head)
Because (15) a doubt	
You're the (16) thing	
That ever happened to me	
I'm going crazy, just can't get it out of my head
