

## Fill in the gaps

I walked the line, the line I choose		
I see the people in front of me		
I climbed the wall, the wall of news		
I watched them show the tragedy		
If you were me, could you defend		
The given (1) to all the men?		
Let's **** the world (2) all it's trend		
They say it's all about to end		
They say it's all about to end		
They say, they say		
There's a (3) that's gone		
But the fear lives on		
I watched you walking on the dotted line		
Maybe you don't see what's in front of me		
Maybe you won't stand the (4) of time		
For we live in sin, for we will win		
I watched the president kiss his family		
For we live in sin, for we will win		

I watched the (5)	^^^^ society
If you were me, could you defend	
The (6) (7)	to all the men?
Let's **** the (8) with all it's	trend
They say it's all (9) to end	
They say it's all about to end	
They say, they say	
I fall in love with the old times	
I never mention my own mind	
Let's (10) the world with all it's	s trend
Thank god, it's all about to end	
They say, it's all about to end	
They say, they say	
They say, they say	
They say it's all about to end
