Just Another Girl by The Killers

Fill in the gaps

Step out into the Indian dust	It wasn't meant to be
I can feel the cracks in my spirit	And it's a great big world
They're starting to bust	She's just another girl
Drive by your house, nobody's home	I could be reeling them in left and right
I'm (1) to tell (2) that I'm	Something's got a hold on me, tonight
better off alone	Well maybe all of my friends
All of my friends say I should (3) on	Should confront
She's just another girl	The fact that I don't want
Don't let her stick it to your heart so hard	Another girl
And of all my (4) say	All of my friends say I (8) move on
It wasn't meant to be	All of my friends say
And it's a great big world	All of my friends say
She's just another girl	All of my friends say
Another girl	She's just (9) girl
I went to see a fortuneteller	Then why can't I sleep at night
That was a trip	And why don't the moon look right
Maybe this confusion's got me losing my grip	The sounds up, the TV's on
I can't believe you're out there flying	And it's a great big world
With somebody else	She's just another girl
Now Jason's getting (5) in the blink of an	Don't let her (10) it to your heart, boy
eye	She's just another girl
I got an invitation but I didn't reply	All of my friends say
Tell your little brother that we put down the gloves	She's just another girl
And give him all of my love	Another girl
All of my friends say I (6) move on	
She's (7) another girl	
Don't let her stick it to your heart so hard	
And all of my friends say	

- 1. trying
- 2. myself
- 3. move
- 4. friends
- 5. married
- 6. should
- 7. just
- 8. should
