

Back down that road

## Fill in the gaps

Somebody said every	day	That's (6)	the way (7)	it goes
Was going to be sunny skies		'Cause we made	it this far on for better	or worse
Only Marvin Gaye and lingerie		I wanna feel it even if it hurts		
I guess somebody lied		If I gotta cry		
Started discussing then to fighting		To get to the other side		
Then don't touch me please		As long as you're there I'll survive		
Then it's let's stop the madness		We stay		
Just come lay (1) me		On the front lines		
And truth be told		Yeah, but we're still here		
'm waving my flag		After the bomb drops		
Before it goes bad (yeah, yeah)		We go so hard		
Cause we (2) it this far on for better or worse		We lose control		
wanna feel it even if it hurts		The fire starts		
If I gotta cry		Then we explode		
Γo get to the other side		When the smoke clears		
Let's go 'cause we're going to survive		We dry our tears		
We stay		Only in love and war		
On the front lines		As long as we make up after every fight		
Yeah, but we're still here		When it's over		
After the (3) drops		You know I'm coming home		
Ne go so hard		Right there where I belong		
We lose control		I'm taking all (8)	over	
The fire starts		And we stay		
Then we explode		On the front lines (on the front lines)		
When the smoke clears		Yeah, but we're still here		
We dry our tears		After the bomb drops		
Only in love and war		We go so hard (we go so hard)		
Sometimes you're my general		We lose control (we lose control)		
You quarterback all these plays		The fires starts (the fire starts)		
Sometimes you're my enemy		Then we explode (baby)		
And I'm (4)	grenades	When the (9)	clears	
We'll (5) be chilling and laughing		We dry our tears		
I'm laying on your chest		Only in love and war		
Don't know what I did		Only in love and war		
'Cause things just went left		(Only in love and war)		
But here we go				

- 1. with
- 2. made
- 3. bomb
- 4. throwing
- 5. just
- 6. just
- 7. that
- 8. this
- 9. smoke
