Fill in the gaps

Somebody said every day	That's (7) the way that it goes
Vas going to be sunny skies	'Cause we made it (8) far on for better or worse
Only Marvin Gaye and lingerie	I wanna feel it even if it hurts
guess somebody lied	If I gotta cry
Started (1) then to fighting	To get to the other side
Then don't touch me please	As (9) as you're there I'll survive
Then it's let's stop the madness	We stay
lust (2) lay with me	On the (10) lines
And truth be told	Yeah, but we're (11) here
'm waving my flag	After the bomb drops
Before it goes bad (yeah, yeah)	We go so hard
Cause we made it this far on for better or worse	We (12) control
wanna feel it even if it hurts	The fire starts
f I gotta cry	Then we explode
To get to the other side	When the smoke clears
et's go 'cause we're going to survive	We dry our tears
Ve stay	Only in love and war
On the front lines	As (13) as we make up after (14)
/eah, but we're (3) here	fight
After the bomb drops	When it's over
Ve go so hard	You know I'm (15) home
Ve lose control	Right there where I belong
The fire starts	I'm taking all this over
Then we explode	And we stay
When the smoke clears	On the (16) lines (on the front lines)
Ve dry our tears	Yeah, but we're (17) here
Only in love and war	After the bomb drops
Sometimes you're my general	We go so hard (we go so hard)
ou quarterback all these plays	We (18) control (we lose control)
Sometimes you're my enemy	The fires (19) (the fire starts)
And I'm throwing grenades	Then we explode (baby)
Ve'll (4) be chilling and laughing	When the smoke clears
'm laying on your chest	We dry our tears
Don't know what I did	Only in (20) and war
Cause things just went left	Only in (21) and war
But (5) we go	(Only in (22) and war)
