

Fill in the gaps

Time to change has (1) and gone	Yes it hurts to know you're bought
Watched (2) fears (3) your god	It's your decision
It's your decision	It's your decision
It's your decision	You (8) the fire that burned us all
Overwhelmed you chose to run	When you lied
Apathetic to the stunned	To feel the pain that spurs you on
It's (4) decision	Black inside
It's your decision	It's your decision
You (5) the fire that (6) us all	It's (9) decision
When you lied	No one plans to take the path that brings you lowe
To feel the pain that spurs you on	And here you stand before us all and say it's over
Black inside	It's over
No one plans to take the (7) that brings you lower	It's over
And here you stand before us all and say it's over	
It's over	
It might seem an afterthought
