

## Fill in the gaps

Time to change has come and gone	Yes it hurts to know you're bought
Watched (1) fears become (2) god	It's your decision
It's your decision	It's your decision
It's your decision	You feed the fire that burned us all
Overwhelmed you chose to run	When you lied
Apathetic to the stunned	To feel the pain that spurs you on
It's your decision	Black inside
It's your decision	It's your decision
You feed the (3) that (4) us all	It's your decision
When you lied	No one plans to take the path that brings you lower
To feel the pain that (5) you on	And (9) you stand before us all and say it's over
Black inside	It's over
No one plans to take the path that (6) you	It's over
lower	
And here you (7) before us all and say it's over	
It's over	
It (8) seem an afterthought
