Secret by Orchestral Manoeuvres In The Dark

(Secret)	You comfort me
(Secret)	And make me (7) it's worth my while
I've got a secret and I can't explain	And then I look around and you're not there
All the time I've waited for this day	And (8) you say you care and I'll
All (1) I was never in doubt	beware
I (2) knew it would (3) get out	(Secret)
There are things that I cannot tell	This is all
And (4) are things that you know damn well	This is all
This is getting very hard for me	I've got a (9) and I can't explain
I (5) you'd better just wait and see	This is all
This is all	(Secret)
This is all	All I want is to hold your hand
(Secret)	This is all
You heard a message and the message was clear	All along I was (10) in doubt
All the time you wipe away that tear	This is all
All I want is to hold your hand	(Secret)
To see the sun and walk the sand	To see the sun and to walk the sand
You make me sad and you make me glad	This is all
And now you see all my secret is (6) love	(Secret)
Is love	I've got a secret and I can't explain
This love	This is all
My secret is this love	(Secret)
