

## Fill in the gaps

Trapped in a prism, in a prism of light	It's just a Reflektor (it's just a Reflektor)
Alone in the darkness, darkness of white	Just a reflection, of a reflection
We fell in love, (1) on a stage	Of a reflection, of a reflection
In the reflective age	Will I see you on the other side? (just a Reflektor)
(Entre la nuit, la nuit et l'aurore)	We all got things to hide (just a Reflektor)
(Entre les royaumes, des vivants et des morts)	It's just a reflection of a reflection
If this is heaven	Of a reflection, of a reflection
I don't know (2) it's for	Will I see you on the other side? (just a Reflektor)
If I can't find you there	We all got things to hide (just a Reflektor)
I don't care	Alright, let's go back
I thought, I (3) a way to enter	Our (16) escapes, on little silver discs
It's just a (4) (it's just a Reflektor)	Our love is plastic, we'll break it to bits
I thought, I found the connector	I want to break free, but will they (17) me?
It's just a (5) (it's (6) a	Down, down, down, don't mess around
Reflektor)	I thought, I (18) a way to enter
Now, the signals we send, are deflected again	It's just a Reflektor (it's just a Reflektor)
We're (7) connected, but are we even friends?	I thought, I (19) the connector
We (8) in love when I was nineteen	It's just a Reflektor (it's just a Reflektor)
And I was staring at a screen	It's just a Reflektor (it's just a Reflektor)
(Entre la nuit, la (9) et l'aurore)	It's just a Reflektor (it's just a Reflektor)
(Entre les voyants, les vivants et les morts)	Thought you would bring me to the resurrector
If (10) is heaven	Turns out it was (20) a Reflektor (it's just a
I (11) something more	Reflektor)
Just a place to be alone	Thought you would bring to me the resurrector
'Cause you're my home	Turns out it was (21) a Reflektor (it's just a
I thought, I found a way to enter	Reflektor)
It's (12) a Reflektor (it's just a Reflektor)	Thought you would (22) to me the resurrector
I thought, I found the connector	Turns out you were just a Reflektor
It's just a Reflektor (it's just a Reflektor)	It's just a Reflektor (it's just a Reflektor)
Just a Reflektor	It's (23) a Reflektor (it's (24) a
It's just a Reflektor (it's just a Reflektor)	Reflektor)
It's (13) a Reflektor (it's just a Reflektor)	It's just a Reflektor
It's just a Reflektor (just a Reflektor)	It's just a Reflektor
Reflektor	It's just a Reflektor
Just a Reflektor	Will I see you on the other side?
It's just a (14) (it's just a Reflektor)	It's just a Reflektor
It's just a Reflektor (it's just a Reflektor)	Will I see you on the (25) side? (Reflektor)
Reflektor	We all got (26) to (27) (Reflektor)
It's just a Reflektor	Just a Reflektor
It's (15) a Reflektor	Will I see you on the (28) side?
It's just a Reflektor (it's just a Reflektor)
