

## Fill in the gaps

| When love (1) up                           | l (13) up                            |
|--|--------------------------------------|
| When the dawn light (2) up                 | With each and every one of (14) (15) |
| A new life is born                         | at me                                |
| Somehow I have to make (3) final breakthru | Honey you're (16) something          |
| Now!                                       | Deep inside of me                    |
| I wake up                                  | Honey you're sparking something      |
| Feel just fine                             | This fire in me                      |
| Your face                                  | I'm outta control                    |
| Fills my mind                              | I wanna rush (17) into this ecstasy  |
| I get religion quick                       | If I could only reach you            |
| 'Cause you're looking divine               | If I could make you smile            |
| Honey you're touching something            | If I (18) (19) reach you             |
| You're touchin' me                         | That (20) really be a breakthru      |
| I'm (4) (5) thumb                          | If I (21) only reach you             |
| Under you're spell                         | If I could make you smile            |
| Can't you see                              | If I could only reach you            |
| If I could (6) you                         | That (22) really be a breakthru      |
| If I could make you smile                  | (Oh) yeah                            |
| If I could only reach you                  | Breakthru                            |
| That would really be a breakthru           | Breakthru                            |
| (Oh) yeah                                  | If I could only reach you            |
| Breakthru, (8) barriers of pain            | If I could (23) you smile            |
| Breakthru, to the (9) the                  | If I could (24) you                  |
| rain                                       | That would really be a breakthru     |
| Make my feelings known (11) you            | If I (26) only (27) you              |
| Turn my heart inside and out for you now   | If I could make you smile            |
| Somehow                                    | If I could only reach you            |
| I (12) to make this final breakthru        | That would really be a breakthru     |
| Now!                                       | Breakthru                            |
| (Oh) yeah                                  |                                      |
| Your smile                                 |                                      |
| Speaks books to me                         |                                      |
