when love breaks up			i break up
When the (1)	(2)	wakes up	With each and every one of your looks at m
A new life is born			Honey you're starting something
Somehow I have to make this final breakthru			Deep inside of me
Now!			Honey you're sparking something
I wake up			This fire in me
Feel just fine			I'm outta control
Your face			I wanna rush headlong into this ecstasy
Fills my mind			If I could only reach you
I get religion quick			If I could make you smile
'Cause you're looking divine			If I could only reach you
Honey you're (3) something		something	That would really be a breakthru
You're touchin' me			If I could only reach you
I'm under your thum	b		If I (9) make you smile
Under you're spell			If I could only reach you
Can't you see			That would really be a breakthru
If I (4) only reach you			(Oh) yeah
If I could (5) you smile			Breakthru
If I (6) only reach you			Breakthru
That would really be a breakthru			If I could only reach you
(Oh) yeah			If I could (10) you smile
Breakthru, these barriers of pain			If I could only reach you
Breakthru, to the sunshine from the rain			That would really be a breakthru
Make my feelings known towards you			If I could only reach you
Turn my heart inside and out for you now			If I could make you smile
Somehow			If I could only reach you
I have to make (7) final breakthru			That would really be a breakthru
Now!			Breakthru
(Oh) yeah			
Your smile
