

Fill in the gaps

I (1) I'm (2) back	My magic paradise
To the (3) I learned so well	And I can play
In my youth	Hide and (15) (16) my fears
I (4) I'm (5) to	And (17) my days
All those (6) when I was (7) enough	Instead of counting my years
To know the truth	Let everyone debate
Now there are no games	The (18) reality
To only pass the time	I'd rather see my world
No more (8) trains	The way it (19) to be
No (9) to climb	A little bit of courage
Thinking young	Is all we lack
And growing older	So catch me if you can
Is no sin	'Cause I'm going back
And I can play the (11) of life to win	I'm going back
(Oh) I can recall the time	Not (20) sitting
When I wasn't (12) to reach out	Walking away
To a friend	Yes, I'm going back
And now I think I've got	Going (21) to my youth
A lot more than	Come on, (22) me 'cause I'm (23)
Just my toys to lend	back
Now there's (13) to do	I'm going back
Than watch my sailboat glide	
And (14) can be
