Friends Will Be Friends (Live) by Queen

Another red (1) day	Friends (5) be friends
So the pound has dropped	When you're through with life and all hope is lost
And the children are creating	Hold out your hands 'cos friends will be friends
The other half ran away	Right till the end
Taking all the cash	It's so easy now
And leaving you with the lumber	'Cause you got (6) you can trust
Got a pain in the chest	Friends will be friends
Ooctor's on strike what you need is a rest	When you're in need of love
t's not easy love	They give you care and attention
But you've got friends you can trust	Friends will be friends
Friends will be friends	When you're through with (7) and all hope is lost
When you're in need of love	Hold out your hands
They give you care and attention	Friends will be friends
Friends will be friends	Right till the end
When you're through (2) life and all hope is lost	Friends will be friends
Hold out your hands 'cos (3) will be friends	When you're in need of love
