Friends Will Be Friends (Live) by Queen

Another red letter day	Friends will be friends
So the pound has dropped	When you're through with (14) and all
And the children are creating	(15) is lost
The other half ran away	Hold out your hands 'cos friends will be friends
Taking all the cash	Right till the end
And leaving you with the lumber	It's so easy now
Got a pain in the chest	'Cause you got (16) you can trust
Doctor's on strike (1) you (2) is a rest	Friends will be friends
It's not easy love	When you're in need of love
But you've got (3) you can trust	They (17) you (18) and attention
Friends (4) be friends	Friends will be friends
When you're in need of love	When you're through (19) life and all hope is lost
They give you care and attention	Hold out your hands
Friends (5) be friends	Friends will be friends
When you're through with life and all hope is lost	Right (20) the end
Hold out (6) hands 'cos friends will be friends	Friends will be friends
Right till the end	When you're in need of love
Now it's a beautiful day	They (21) you care and attention
The postman delivered a letter from (7) lover	Friends will be friends
Only a (8) away	When you're through with life and all hope is lost
You tried to track him down	Hold out your hands
But (10) stole his number	'Cause right (22) the end
As a matter of fact	Friends will be friends
You're getting used to life	Friends will be friends
Without him in (11) way	Friends will be friends
It's so (12) now	(When you're (23) with life and all hope is
'Cause you got (13) you can trust	lost)
Friends will be friends	(Hold out (24) hands 'cos friends will be friends)
When you're in need of love	(Right till the end)
They give you care and attention
