Friends Will Be Friends (Live) by Queen

Another red letter day	Friends will be friends
So the pound has dropped	When you're through with life and all hope is lost
And the children are creating	Hold out your hands 'cos friends will be friends
The other half ran away	Right till the end
Taking all the cash	It's so easy now
And leaving you with the lumber	'Cause you got friends you can trust
Got a pain in the chest	Friends will be friends
Doctor's on (1) (2) you	When you're in need of love
(3) is a rest	They give you care and attention
It's not easy love	Friends will be friends
But you've got friends you can trust	When you're through with life and all hope is lost
Friends will be friends	Hold out your hands
When you're in need of love	Friends will be friends
They give you care and attention	Right till the end
Friends will be friends	Friends (6) be friends
When you're through with (4) and all hope is lost	When you're in need of love
Hold out your hands 'cos friends will be friends	They give you care and attention
Right till the end	Friends will be friends
Now it's a beautiful day	When you're through with life and all hope is lost
The (5) delivered a letter from your lover	Hold out your hands
Only a phone call away	'Cause right till the end
You tried to track him down	Friends (7) be friends
But somebody stole his number	Friends (8) be friends
As a matter of fact	Friends will be friends
You're getting used to life	(When you're (9) with (10) and
Without him in your way	all hope is lost)
