

Promises we made were in vain, in vain, vain

Separate Ways (Worlds Apart) by Journey

Here we stand	If you must go, I wish you love	
Worlds apart, hearts broken in two, two, two	You'll never walk alone	
Sleepless nights	Take care my love	
Losing ground I'm reaching for you	Miss you love	
You, you	Someday love will find you	
Feeling that it's gone	Break those chains that bind you	
Can change your mind	One night will remind you	
If we can't go on	How we touched and went our (6) w	vays
To survive the tide love divides	If he ever hurts you	
Someday love will find you	True love won't desert you	
Break those (1) (2) bind you	You know I still love you	
One night will remind you	Though we touched and went our separate ways	
How we (3) and went our separate ways	Someday love will find you	
If he (4) hurts you	Break those chains that bind you	
True love won't desert you	One night (7) (8) you	
You know I still love you	If he ever (9) you	
Though we touched and (5) our separate ways	True love won't desert you	
Troubled times	You know I still love you	
Caught between confusions and pain, pain, pain
