Separate Ways (Worlds Apart) by Journey

Here we stand	If you must go, I wish you love
Worlds apart, hearts broken in two, two, two	You'll (14) walk alone
Sleepless nights	Take care my love
Losing ground I'm reaching for you	Miss you love
You, you	Someday love (15) find you
Feeling that it's gone	Break (16) chains that bind you
Can (1) mind	One night will remind you
If we can't go on	How we touched and (17) our
To survive the tide love divides	(18) ways
Someday (3) will (4) you	If he ever (19) you
Break (5) chains that bind you	True (20) won't (21) you
One (6) will (7) you	You know I (22) you
How we touched and went our (8) ways	Though we (24) and went our separate
If he ever hurts you	ways
True love won't desert you	Someday (25) will (26) you
You know I still (9) you	Break (27) chains that bind you
Though we (10) and went our	One (28) will remind you
(11) ways	If he ever hurts you
Troubled times	True love won't desert you
Caught between (12) and pain,	You know I still love you
pain, pain	
Distant eyes	
Promises we (13) were in vain, in vain, vain
