

Promises we made were in vain, in vain, vain

Separate Ways (Worlds Apart) by Journey

Here we stand		If you (7) go, I wish you love
Worlds apart, hearts broken in two, two, two		You'll never walk alone
Sleepless nights		Take care my love
Losing ground I'm reaching for you		Miss you love
You, you		Someday love will find you
Feeling that it's gone		Break (8) (9) that bind you
Can change your mind		One night will remind you
If we can't go on		How we touched and went our separate ways
To survive the (1) love divides		If he ever hurts you
Someday love will find you		True love won't desert you
Break those chains (2) bind you		You know I still love you
One night (3) remind you		Though we touched and went our separate ways
How we touched and went our separate ways		Someday love will find you
If he ever hurts you		Break those chains that bind you
True love won't desert you		One night will (10) you
You (4) I (5) (6)	you	If he ever hurts you
Though we touched and went our separate ways		True love won't desert you
Troubled times		You know I still love you
Caught between confusions and pain, pain, pain
