

Fill in the gaps

I've had enough of danger	And teacher
And people on the streets	There are things
I'm (1) out for angels	That I don't (11) to learn
Just trying to find some peace	Oh the last one I had
Now I (2) it's time	Made me cry
That you let me know	So I don't (12) to (13) to
So if you love me	Hold you, (14) you
Say you love me	Think that you're mine
But if you don't (3) let me go	Because it ain't no joy
Cause teacher	For an uptown boy
There are things	Whose teacher has told him goodbye
That I don't want to learn	Goodbye, goodbye
And the last one I had	So when you say that you need me
Made me cry	That you'll never leave me
So I don't want to (4) to	I know you're wrong, you're not (15) strong
Hold you, (5) you	Let me go
Think (6) you're mine	And teacher
Because it ain't no joy	There are things
For an uptown boy	That I still have to learn
Whose (7) has told him goodbye	But the one (16) I have is my pride
Goodbye, goodbye	(Oh) so I don't want to
When you were just a stranger	Hold you, touch you
And I was at (8) feet	Think that you're mine
I didn't feel the danger	Because (17) ain't no joy
Now I feel the heat	For an (18) boy
That look in your eyes	Who (19) isn't (20) to try
Telling me no	I'm so cold
So you think that you love me	Inside
Know that you need me	Maybe just one more try
I (9) the song, I (10) it's wrong	
Just let me go
