

## Fill in the gaps

I'm back	Brought me (16) to you and I know it
I'm back	So I just kept (17) my friends
Prouder than (1) baby	Waiting for some God to choose
Louder than ever maybe	Saying this ain't the day that it ends
One more pill, just one more beer	'Cause there's no white (18) and I'm not through
One less star in the atmosphere for us	I'm alive
But (2) she just wanted to be free	I'm alive
Heartless pictures on TV	And I've got so much more (19) I want to do
Change that channel that could have been me	Was it music?
I said	Was it science that (20) me?
Maybe she just (3) to be free	Or the way that you (21) for me?
So I just kept breathing my friends	Guess either way I thank you
Waiting for the man to choose	I'm alive
Saying this ain't the day (4) it ends	And (22) is mine
Cause there's no white (5) and I'm not through	I said tomorrow is mine
I'm alive	Said I just got to keep on breathing
I'm alive	(I said tomorrow is mine)
And I've got so much more	I said no, don't let go
That I (6) to do (7) the music	(Keep on breathing)
Was it music (8) (9) me?	Got to keep on, got to keep on, got to keep on
Or the way that you prayed for me?	I just got to (23) on breathing
Guess (10) way I (11) you	I'm alive
I'm alive	I'm alive
Hotel, Motel (12) it clear	And I've got so much more that I want to give
One (13) (14) we will never hear	Was it music?
again	Was it science (24) saved me?
But maybe he just wanted to be free	Or the way that you prayed and (25) for me
And I don't know what the hell	Well I (26) you I'm alive
What the Gods	
What the **** I'm saying half the time	
But (15) divine	
(Oh) divine
