

Slipping through our fingers

Fill in the gaps

I Hate This Part by The Pussycat Dolls

We're driving slow through the snow on fifth Avenue	I don't wanna try now
And right now, radio's all that we can hear	All that's left is goodbye
Now we ain't (1) since we left, it's so overdue	To find a way (5) I can tell you
It's cold (2) but between us it's worse in	I hate this part right here
here	I hate this part right here
The world slows down	I just can't take your tears
But my heart beats fast right now	I hate this part right here
I know this is the part	I know you'll ask me to hold on
Where the end starts	And carry on like nothing's wrong
I can't take it any longer	But there is no more time for lies
Thought that we were stronger	'Cause I see sunset in your eyes
All we do is linger	I can't take it any longer (can't (6) do this)
Slipping through our fingers	Thought that we were stronger
I don't wanna try now	All we do is linger (is linger)
All that's left is goodbye	Slipping through our fingers (through our finger)
To find a way that I can (3) you	I don't wanna try now (try now)
I hate this part right here	All that's left is (7) (goodbye now)
I hate this part right here	To find a way that I can tell you (I can tell you)
I just can't take your tears	But I've gotta do is
I hate this part right here	I've (8) do it
Everyday seven takes of the same old scene	I've gotta do it
Seems we're bound by the loss of the same routine	I hate this part
Gotta talk to you now before we go to sleep	I gotta do it
But will you sleep once I tell you what's hurting me?	I gotta do it
The world slows down	I gotta do it
But my heart beats fast right now	I hate (9) part right here
I know (I know) (4) is (this is) the part	I hate this part right here
Where the end starts	I just can't (10) these tears
I can't take it any longer	I hate this part right here
Thought that we were stronger	
All we do is linger
