

Slipping through our fingers

Fill in the gaps

I Hate This Part by The Pussycat Dolls

We're driving slow through the snow on fifth Avenue	I don't wanna try now
And right now, radio's all that we can hear	All that's left is goodbye
Now we ain't talk since we left, it's so overdue	To find a way that I can tell you
It's cold outside but between us it's (1) in here	I (15) this part right here
The world slows down	I hate this part right here
But my heart (2) fast right now	I just can't (16) your tears
I know (3) is the part	I hate this part right here
Where the end starts	I (17) you'll ask me to hold on
I can't (4) it any longer	And carry on like nothing's wrong
Thought that we were stronger	But there is no more time for lies
All we do is linger	'Cause I see sunset in (18) eyes
Slipping through our fingers	I can't take it any longer (can't take do this)
I don't wanna try now	Thought that we were stronger
All that's left is goodbye	All we do is linger (is linger)
To find a way that I can tell you	Slipping (19) our fingers (through our
I hate this part right here	finger)
I hate (5) part right here	I don't wanna try now (try now)
I just can't (6) (7) tears	All that's left is goodbye (goodbye now)
I hate this part (8) here	To (20) a way that I can tell you (I can tell you)
Everyday seven takes of the (9) old scene	But I've gotta do is
Seems we're (10) by the loss of the same	I've (21) do it
routine	I've (22) do it
Gotta talk to you now before we go to sleep	I hate (23) part
But will you sleep once I tell you what's hurting me?	I gotta do it
The world (11) down	I gotta do it
But my heart beats fast (12) now	I gotta do it
I (13) (I know) this is (this is) the part	I hate this part right here
Where the end starts	I hate (24) (25) right here
I can't take it any longer	I just can't take these tears
Thought (14) we were stronger	I hate this part right here
All we do is linger
