## I Hate This Part by The Pussycat Dolls

We're driving slow through the snow on fifth Avenue	I don't wanna try now
And right now, radio's all that we can hear	All that's (7) is goodbye
Now we ain't talk since we left, it's so overdue	To find a way that I can tell you
It's cold outside but between us it's (1) in here	I hate this part right here
The world slows down	I hate this part right here
But my heart beats (2) right now	I just can't take your tears
I know this is the part	I hate (8) part right here
Where the end starts	I know you'll ask me to hold on
I can't take it any longer	And carry on like nothing's wrong
Thought that we were stronger	But there is no more time for lies
All we do is linger	'Cause I see sunset in your eyes
Slipping through our fingers	I can't take it any longer (can't take do this)
I don't wanna try now	Thought that we were stronger
All that's left is goodbye	All we do is (9) (is linger)
To find a way that I can tell you	Slipping through our fingers (through our finger)
I hate this part right here	I don't wanna try now (try now)
I hate this part right here	All that's left is goodbye (goodbye now)
I just can't take your tears	To find a way that I can tell you (I can tell you)
I hate this part right here	But I've (10) do is
Everyday seven takes of the same old scene	I've gotta do it
Seems we're bound by the loss of the same routine	I've gotta do it
Gotta talk to you now before we go to sleep	I hate this part
But will you sleep (3) I tell you what's hurting me?	I gotta do it
The (4) slows down	I gotta do it
But my heart beats fast right now	I gotta do it
I know (I know) (5) is (this is) the part	I hate this part right here
Where the end starts	I hate this part right here
I can't take it any longer	I just can't take these tears
Thought that we were stronger	I hate this part right here
All we do is linger
